Dear Mr. Hooton:

In your letter dated January 31, 1992, you indicated that you would like to have the opportunity to respond to any comments that the Division of Water Rights receives regarding the Proposed Distribution of Water within the Utah Lake Drainage Basin (10/15/91 revised draft). Thus, I have enclosed copies of the comments we received for your review.

We appreciate your involvement in this important issue and will keep you apprised of any future developments.

Sincerely,
